

## Arts Education Courses in Schoology

---

### **Arts Standards 101**

PDMS Course #: 27715

This one-hour module is the first in a series designed to help arts educators and arts administrators learn about, navigate through and use the Delaware Arts Standards. Adopted by the Delaware Board of Education in March 2016, these standards are the National Arts Standards with the addition of "I CAN" statements- the standards in student friendly, age appropriate language- created by Delaware arts educators. The series of modules have been created by three seasoned Delaware teachers in order to provide practical guidance on how the standards can be the basis for instruction in your classroom.

### **Arts: Navigating through the Arts Standards website**

PDMS Course #: 27695

This one-hour module will focus on the arts standards website including the whole web map and specific destinations.

Goals:

- Participants will be guided through an overview of the Delaware arts standards website.
- Participants will learn how to navigate Delaware arts standards website.
- Participants will obtain a working knowledge of what is needed to use the arts standards in their classrooms.

### **Arts: Using Model Cornerstone Assessments**

PDMS Course #: 27697

This one-hour module will focus on understanding and using the Model Cornerstone Assessments on the Delaware Arts Standards webpage <https://www.deartsstandards.org/>.

Goals:

- Participants will understand the relationship between assessment and standards-based instruction. Participants will locate the Model Cornerstone Assessments on the Delaware arts standards webpage.
- Participants will navigate through a Model Cornerstone Assessment
- Participants will recognize the common attributes of the arts standards with the Common Core State Standards for ELA.
- Participants will identify resources available through the arts standards webpage.
- Participants will become aware of Student Artwork Samples available to benchmark student work samples.

## **Arts: CREATING**

PDMS Course #: 27933

This one-hour module will focus on the artistic process of CREATING. The module will provide participants with an overview of the anchor and performance standards and will provide strategies for how the Delaware Arts Standards can be implemented in arts classrooms.

Goals:

- Participants will complete the Activating Strategy Quiz.
- Participants will be able to define the artistic process CREATING.
- Participants will be introduced to Anchor Standard 1 and how it may look in an elementary music classroom.
- Participants will be introduced to Anchor Standard 2 and how it may look in a high school visual arts classroom.
- Participants will be introduced to Anchor Standard 3 and how it may look in a middle school dance classroom.

## **Arts: PERFORMING/PRESENTING/PRODUCING**

PDMS Course #: 27934

This one-hour module will focus on becoming familiar with and understanding the artistic process PERFORMING/PRESENTING/PRODUCING from the National Core Arts Standards.

Goals:

- Participants will be able to complete the Activating Strategy Quiz.
- Participants will obtain an understanding of the overview and structure of Performing/Presenting/Producing.
- Participants will take a deeper dive into Anchor Standard 4.
- Participants will take a deeper dive into Anchor Standard 5.
- Participants will take a deeper dive into Anchor Standard 6.
